Missing Elf

One of Santa's elves has gone missing from the North Pole. Colour in the picture below and then write a description of the missing elf. Remember to:

- Use exciting <u>adjectives</u>.
- Use <u>similes</u> to compare (his ears are pointed as mountains; his coat is like the softest snow)
- Describe what he <u>looks</u> like.
- Think about and describe his **personality** (is he cheeky, silly, shy, rude, etc?)
- Include a question sentence.
